Type Number 型号	Voltage/Frequency 电压/功率	Lamp 光源	kg
MCN810/070	220V / 50Hz	CDM-T70W	2.8 kg
MCN810/150	220V / 50Hz	CDM-T150W	3.6 kg

- Please use the designated source, not by other sources, so as to avoid accidents caused damage to luminaire.
请使用指定光源，勿用其它光源，以免发生意外造成灯具损坏。
- When use together with Philips TTX080 trunking system, the weight and electrical loading must be re-calculated based on the actual TTX080 installation manual.
当用TTX080 BP吊架组件将本灯具吊装在TTX080轨道灯上时，应适当增加吊装TTX080轨道灯吊杆的数量和密度。
- The luminaire should only be used complete with its protective shield.
灯具应只能完整地带有防护罩使用。
