Thank you for purchasing the Panasonic "Camera Kit".

Federal Communications Commission Requirements

NOTE: This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

FCC Warning:

To assure continued FCC emission limit compliance, the user must use only the provided AC Adapter. All other user provided interface cables must be shielded. Also, any unauthorized changes or modifications to this equipment will void the user's authority to operate this device.

Accessories

Please check the supplied accessories.

AC Adaptor

Remote Control Unit

Batteries AAA(R03) × 2

Operating Instructions

Velcro fasteners × 2

Precautions

The following precautions are recommended to extend the life of the unit.

Do not give shock hazard.

Do not allow liquids such as coffee or water to spill into the unit. Do not insert sharp objects into the unit.

Do not use the unit under the following conditions.

Do not place the unit on an uneven (not level place) or unstable surface.

Do not place the unit on a carpet.

Do not place the unit near a heating appliance or an air conditioning vent. Do not place the unit in a room with extremely high or low humidity.

Do not place the unit in an area where there is a lot of smoke, dust, chemical fumes, or vibration.

Do not wipe the unit with volatile liquid.

Connection

*1 Camera Control Cable

- The camera control cable which is supplied with Codec cannot be used. Consult your dealer for more information.

Notes : ● When connecting the unit to Codec, use the Codec remote controller.

Certain functions on the unit remote controller cannot be used with Codec.

- The split display mode of codec video setting cannot be used with two camera units.

Location of the Controls

Rear View

Location of the Controls

Remote Control Unit

Replacing the batteries

1 Open the lid.

2 Replace the batteries.

Insert two AAA (R03) batteries as indicated on the remote control unit.

3 Close the lid.

The lid will "click" when it is secured.

Notes: ● If you do not install the batteries or if the battery power is low, misoperation may occur.

- Do not use rechargeable (Ni-Cd) batteries as some of their dimensions, shapes, and performances differ from normal batteries.
- Do not mix different brands of batteries.
- Do not charge, short-circuit, disassemble, heat, or dispose of batteries in fire.
- Remove all the batteries when replacing.

Location of the Controls

- ① Camera control (Pan/Tilt function)
 - Selection of the PAN/TILT of the camera
- ② Camera direction
 - Camera positions to remote control location
- ③ Focus adjustment (Manual/auto)
 - Adjust focus using the **NEAR**, **FAR** keys.

Limited Warranty

Panasonic Consumer Electronics Company or Panasonic Sales Company (collectively referred to as "the warrantor") will repair this product with new or refurbished parts, free of charge, in the USA or Puerto Rico for one (1) year from the date of original purchase in the event of a defect in materials or workmanship.

This Limited Warranty Excludes both Labor and Parts for: batteries, antennas, and cosmetic parts (cabinet).

Carry-in or mail-in service in the USA or Puerto Rico can be obtained during the warranty period by contacting a Panasonic Services Company (PASC) Factory Servicenter listed in the Servicenter Directory. Or call, toll free, 1-800-211-7262 to locate a PASC authorized Servicenter. Carry-in or mail-in service in Puerto Rico can be obtained during the warranty period by calling the Panasonic Sales Company telephone number listed in the Servicenter Directory.

This warranty is extended only to the original purchaser. A purchase receipt or other proof of date of original purchase will be required before warranty service is rendered.

This warranty only covers failures due to defects in materials and workmanship which occur during normal use. The warranty does not cover damages which occur in shipment, or failures which are caused by products not supplied by the warrantor, or failures which result from accident, misuse, abuse, neglect, mishandling, faulty installation, misapplication, set-up adjustments, improper operation or maintenance, alteration, modification, introduction of sand, humidity or liquids, power line surge, improper voltage supply, lightning damage, signal reception problems, commercial use such as hotel, office, restaurant, or other business or rental use of the product, or service by anyone other than a PASC Factory Servicenter or a PASC authorized Servicenter, or damage that is attributable to acts of God.

LIMITS AND EXCLUSIONS

There are no express warranties except as listed above.

THE WARRANTOR SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT, OR ARISING OUT OF ANY BREACH OF THIS WARRANTY. ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE APPLICABLE WARRANTY PERIOD SET FORTH ABOVE.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above exclusions or limitations may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state. If a problem with this product develops during or after the warranty period, you may contact your dealer or Servicenter. If the problem is not handled to your satisfaction, then write to the Customer Satisfaction Center at the company address indicated above.
