TERRAZZA Light & Power Station

Light and power supply in one. A perfect appliance for your home and workshop, e.g. on the terrace, balcony, or on the camping site. This mobile lamp with 3 socket outlets can be rotated and clamped to any required position. This enables an easy connection of electric appliances and an optimal adjustment of the light. Fitted to a stable, varnished metallic frame for safe standing in any position.

A breakproof, transparent cover provides optimal light transmission. With fitting E27, suitable for both regular bulbs or energy-saving bulbs. With 3 m connecting cable H05VV-F 3G1.5 and earthed plug.
