EN Preparing the Camera

Loading the batteries and the xD-Picture Card™ (sold separately) into the camera

Do not insert anything other than an xD-Picture Card or the microSD Attachment into the camera.

Setting the date and time

Press the ON/OFF button to turn on the camera.

The date and time setting screen is displayed when the date and time are not set.

Date and time setting screen

- Use **ON/OFF** to select the year for [Y].
- Press **SET** to save the setting for [Y].
- As in Steps 2 and 3, use **SET** and the **button** to set [M] (month), [D] (day), [TIME] (hours and minutes), and [Y/M/D] (date order).

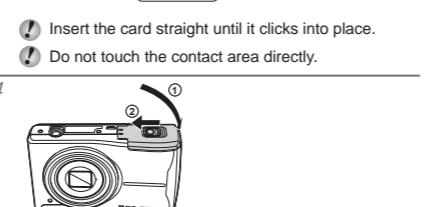

Changing the display language

Press the MENU button, and press **SET** to select [SETUP].

Exit menu

- Turn off the camera before opening the battery/card compartment cover.
- When using the camera, be sure to close the battery/card compartment cover.
- Index area
- Notch
- Insert the card straight until it clicks into place.
- Do not touch the contact area directly.

FR Préparer l'appareil photo

Insérer les piles et la carte xD-Picture Card™ (vendues séparément) dans l'appareil photo

N'insérez dans l'appareil photo rien d'autre que la carte xD-Picture Card ou l'Adaptateur microSD.

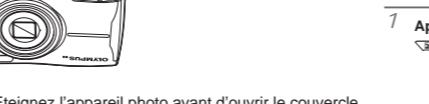

Couvercle du compartiment de la batterie/carte

Réglage la date et l'heure

Appuyez sur la touche ON/OFF pour allumer l'appareil photo.

L'écran de réglage de la date et de l'heure s'affiche si ces dernières ne sont pas réglées.

Écran de réglage de la date et de l'heure

- Utilisez **SET** pour sélectionner l'année sous [A].
- Appuyez sur **SET** pour sauvegarder le réglage de [A].
- Tout comme aux étapes 2 et 3, utilisez **SET** et la touche **SET** pour régler [M] (mois), [J] (jour), [HEURE] (heures et minutes) et [A/M/J] (ordre des dates).

Changer la langue d'affichage

Appuyez sur la touche MENU, puis appuyez sur **SET** pour sélectionner [REGLAGE].

Quitter menu

- Eteignez l'appareil photo avant d'ouvrir le couvercle du compartiment de la batterie/carte.
- Lors de l'utilisation de l'appareil photo, n'oubliez pas de fermer le couvercle du compartiment de la batterie/carte.
- Zone d'index
- Encoche

Insérez la carte bien droit jusqu'à ce qu'elle se mette en place avec un léger bruit sec.

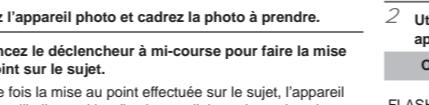

Ne touchez pas la zone de contact avec les mains.

- Appuyez sur la touche **SET**.
- Utilisez **SET** pour sélectionner [SETUP], puis appuyez sur la touche **SET**.
- Utilisez **SET** pour sélectionner votre langue, puis appuyez sur la touche **SET**.
- Appuyez sur la touche MENU.

Quitter menu

- Appliquez sur la touche ON/OFF pour allumer l'appareil photo.
- Utilisez **SET** pour sélectionner l'option de réglage, puis appuyez sur la touche **SET** pour valider.
- Tenez l'appareil photo et cadrrez la photo à prendre.
- Enforcez le déclencheur à mi-course pour faire la mise au point sur le sujet.

Barre de zoom

- Si le mode **P** n'est pas affiché sur l'écran, appuyez plusieurs fois sur la touche **SET** pour le sélectionner.
- Appuyez de nouveau sur la touche ON/OFF pour étendre l'appareil photo.

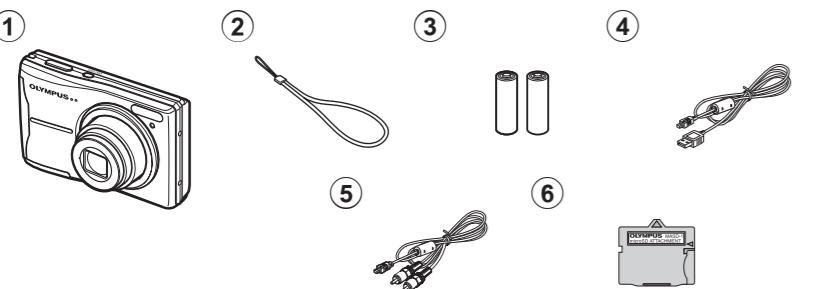

- Tenez l'appareil photo et cadrrez la photo à prendre.
- Enforcez le déclencheur à mi-course pour faire la mise au point sur le sujet.
- Une fois la mise au point effectuée sur le sujet, l'appareil verrouille l'exposition (la vitesse d'obturation et la valeur d'ouverture s'ajustent) et le repère de mise au point automatique (AF) devient vert.

Barre de zoom

- Des pré-flashes sont émis pour limiter l'apparition du phénomène des yeux rouges sur vos photos.
- Si le repère de mise au point automatique (AF) clignote en rouge, cela signifie que l'appareil photo n'a pas réussi à faire la mise au point. Reprenez la mise au point.

EN SAFETY PRECAUTIONS

CAUTION: TO REDUCE THE RISK OF ELECTRICAL SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED OLYMPUS SERVICE PERSONNEL.

Handling the Camera

WARNING

- Do not use the camera near flammable or explosive gases.
- Do not use the flash and LED on people (infants, small children, etc.) at close range.
- You must be at least 1 m (3 ft.) away from the faces of your subjects. Firing the flash too close to the subject's eyes could cause a momentary loss of vision.
- Keep young children and infants away from the camera.
- Always use and store the camera out of the reach of young children and infants to prevent the following dangerous situations which could cause serious injury:
 - Becoming entangled in the camera strap, causing strangulation.
 - Accidentally swallowing the battery, cards or other small parts.
 - Accidentally firing the flash into their own eyes or those of another child.
 - Accidentally being injured by the moving parts of the camera.
- Do not look at the sun or strong lights with the camera.
- Do not use or store the camera in dusty or humid places.
- Do not cover the flash with a hand while firing.
- Do not insert anything into the microSD Attachment other than the microSD card.

Other types of cards cannot be inserted into microSD Attachment.

Do not insert anything other than an xD-Picture Card or the microSD Attachment into the camera.

If you insert a card by mistake, such as a microSD card, do not use force. Contact authorized distributors/service centers.

WARNING!
TO AVOID THE RISK OF FIRE OR ELECTRICAL SHOCK, NEVER DISASSEMBLE, EXPOSE THIS PRODUCT TO WATER OR OPERATE IN A HIGH HUMIDITY ENVIRONMENT.

General Precautions

Read All Instructions — Before you use the product, read all operating instructions. Save all manuals and documentation for future reference.

Cleaning — Always unplug this product from the wall outlet before cleaning. Use only a damp cloth for cleaning. Never use any type of liquid or aerosol cleaner, or any type of organic solvent to clean this product.

Attachments — For your safety, and to avoid damaging the product, use only accessories recommended by Olympus.

Water and Moisture — For precautions on products with weatherproof designs, read the weatherproofing sections.

Location — To avoid damage to the product, mount the product securely on a stable tripod, stand, or bracket.

Power Source — Connect this product only to the power source described on the product label.

Foreign Objects — To avoid personal injury, never insert a metal object into the product.

Heat — Never use or store this product near any heat source such as a radiator, heat register, stove, or any type of equipment or appliance that generates heat, including stereo amplifiers.

Accessories — Pour votre sécurité, et pour éviter d'endommager le produit, n'utilisez que des accessoires recommandés par Olympus.

Eau et humidité — Pour les précautions sur les produits avec une conception imperméable, lire les sections imperméabilisation.

Emplacement — Pour éviter d'endommager l'appareil, monter le produit solidement sur un trépied ou un sabot stable.

Alimentation — Ne raccordez ce produit qu'à la source d'alimentation décrite sur l'étiquette du produit.

Entrée d'objets — Pour éviter des blessures, ne jamais introduire d'objet métallique dans le produit.

Chaleur — Ne jamais utiliser ni ranger ce produit près d'une source de chaleur telle qu'un radiateur, un accumulateur de chaleur, ou tout type d'appareil qui génère de la chaleur, comprenant les amplificateurs.

• Be careful with the strap.

• Be careful with the strap when you carry the camera. It could easily catch on stray objects and cause serious damage.

• When used for a long period, the camera will get hot. If you hold on to the camera in this state, a low-temperature burn may be caused.

• In places subject to extremely cold temperatures, the temperature of the camera's body may be lower than the environmental temperature. If possible, wear gloves when handling the camera in cold temperatures.

• When used for a long period, the camera will get hot. If you hold on to the camera in this state, a low-temperature burn may be caused.

• When used for a long period, the camera will get hot. If you hold on to the camera in this state, a low-temperature burn may be caused.

• When used for a long period, the camera will get hot. If you hold on to the camera in this state, a low-temperature burn may be caused.
