

RMX-1000 Plug-in

<http://pioneerdj.com/support/>

The Pioneer website shown above offers FAQs, information on software and various other types of information and services to allow you to use your product in greater comfort.

Operating Instructions

Before start

This software is a plug-in for achieving the functions of the RMX-1000 on a music creation application. To use it, the plug-in must be launched within a host application supporting plug-ins (VST and Audio Units).

- A computer equipped with an Intel® Core™ 1.4 GHz or greater CPU is recommended for using this software.
- Use a computer on which the host application operates stably.
- For the required computer specifications for operation of the host application, see your host application's operating instructions or website.

Using the included software

Software end user license agreement

This Software End User License Agreement ("Agreement") is between you (both the individual installing the Program and any single legal entity for which the individual is acting) ("You" or "Your") and PIONEER CORPORATION ("Pioneer").

TAKING ANY STEP TO SET UP OR INSTALL THE PROGRAM MEANS THAT YOU ACCEPT ALL OF THE TERMS OF THIS LICENSE AGREEMENT. PERMISSION TO DOWNLOAD AND/OR USE THE PROGRAM IS EXPRESSLY CONDITIONED ON YOUR FOLLOWING THESE TERMS. WRITTEN OR ELECTRONIC APPROVAL IS NOT REQUIRED TO MAKE THIS AGREEMENT VALID AND ENFORCEABLE. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, YOU ARE NOT AUTHORIZED TO USE THE PROGRAM AND MUST STOP INSTALLING IT OR UNINSTALL IT, AS APPLICABLE.

1 Definitions

- 1 "Documentation" means written documentation, specifications and help content made generally available by Pioneer to aid in installing and using the Program.
- 2 "Program" means all or any part of Pioneer's software licensed to You by Pioneer under this Agreement.

2 Program license

- 1 Limited License. Subject to this Agreement's restrictions, Pioneer grants to You a limited, non-exclusive, nontransferable, license (without the right to sublicense):
 - a To install a single copy of the Program on the hard disk drive of Your computer, to use the Program only for Your personal purpose complying with this Agreement and the Documentation ("Authorized Use");
 - b To use the Documentation in support of Your Authorized Use; and
 - c To make one copy of the Program solely for backup purposes, provided that all titles and trademark, copyright and restricted rights notices are reproduced on the copy.
- 2 Restrictions. You will not copy or use the Program or Documentation except as expressly permitted by this Agreement. You will not transfer, sublicense, rent, lease or lend the Program, or use it for third-party training, commercial time-sharing or service bureau use. You will not Yourself or through any third party modify, reverse engineer, disassemble or decompile the Program, except to the extent expressly permitted by applicable law, and then only after You have notified Pioneer in writing of Your intended activities. You will not use the Program on multiple processors without Pioneer's prior written consent.
- 3 Ownership. Pioneer or its licensor retains all right, title and interest in and to all patent, copyright, trademark, trade secret and other intellectual property rights in the Program and Documentation, and any derivative works thereof. You do not acquire any other rights, express or implied, beyond the limited license set forth in this Agreement.
- 4 No Support. Pioneer has no obligation to provide support, maintenance, upgrades, modifications or new releases for the Program or Documentation under this Agreement.

3 Warranty disclaimer

THE PROGRAM AND DOCUMENTATION ARE PROVIDED "AS IS" WITHOUT ANY REPRESENTATIONS OR WARRANTIES, AND YOU AGREE TO USE THEM AT YOUR SOLE RISK. TO THE FULLEST EXTENT PERMISSIBLE BY LAW, PIONEER EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND WITH RESPECT TO THE PROGRAM AND DOCUMENTATION, WHETHER EXPRESS, IMPLIED, STATUTORY, OR ARISING OUT OF COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, ACCURACY, TITLE OR NON-INFRINGEMENT.

4 Damages and remedies for breach

You agree that any breach of this Agreement's restrictions would cause Pioneer irreparable harm for which money damages alone would be inadequate. In addition to damages and any other remedies to which Pioneer may be entitled, You agree that Pioneer may seek injunctive relief to prevent the actual, threatened or continued breach of this Agreement.

5 Termination

Pioneer may terminate this Agreement at any time upon Your breach of any provision. If this Agreement is terminated, You will stop using the Program, permanently delete it from the computer where it resides, and destroy all copies of the Program and Documentation in Your possession, confirming to Pioneer in writing that You have done so. Sections 2.2, 2.3, 2.4, 3, 4, 5 and 6 will continue in effect after this Agreement's termination.

6 General terms

- 1 Limitation of Liability. In no event will Pioneer or its subsidiaries be liable in connection with this Agreement or its subject matter, under any theory of liability, for any indirect, incidental, special, consequential or punitive damages, or damages for lost profits, revenue, business, savings, data, use, or cost of substitute procurement, even if advised of the possibility of such damages or if such damages are foreseeable. In no event will Pioneer's liability for all damages exceed the amounts actually paid by You to Pioneer or its subsidiaries for the Program. The parties acknowledge that the liability limits and risk allocation in this Agreement are reflected in the Program price and are essential elements of the bargain between the parties, without which Pioneer would not have provided the Program or entered into this Agreement.
- 2 The limitations or exclusions of warranties and liability contained in this Agreement do not affect or prejudice Your statutory rights as consumer and shall apply to You only to the extent such limitations or exclusions are permitted under the laws of the jurisdiction where You are located.
- 3 Severability and Waiver. If any provision of this Agreement is held to be illegal, invalid or otherwise unenforceable, that provision will be enforced to the extent possible or, if incapable of enforcement, deemed to be severed and deleted from this Agreement, and the remainder will continue in full force and effect. The waiver by either party of any default or breach of this Agreement will not waive any other or subsequent default or breach.
- 4 No Assignment. You may not assign, sell, transfer, delegate or otherwise dispose of this Agreement or any rights or obligations under it, whether voluntarily or involuntarily, by operation of law or otherwise, without Pioneer's prior written consent. Any purported assignment, transfer or delegation by You will be null and void. Subject to the foregoing, this Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns.
- 5 Entire Agreement. This Agreement constitutes the entire agreement between the parties and supersedes all prior or contemporaneous agreements or representations, whether written or oral, concerning its subject matter. This Agreement may not be modified or amended without Pioneer's prior and express written consent, and no other act, document, usage or custom will be deemed to amend or modify this Agreement.
- 6 You agree that this Agreement shall be governed and construed by and under the laws of Japan.

Cautions on Installation

- If installation of RMX-1000 Plug-in is interrupted before it is completed, follow the procedure below to install again from the beginning.
- Read the “Software end user license agreement” carefully before installing RMX-1000 Plug-in.
- If there are any programs running on the computer, quit them before installing RMX-1000 Plug-in.
- RMX-1000 Plug-in is supported on the following operating systems:

Supported operating systems			
Windows	Windows® 7 Home Premium/Professional/Ultimate	32-bit version	✓
		64-bit version	✓
	Windows Vista® Home Basic/Home Premium/Business/Ultimate (SP2 or later)	32-bit version	✓ ^[1]
		64-bit version	✗
Intel Mac	Windows® XP Home Edition/Professional (SP3 or later)	32-bit version	✓
		64-bit version	✗
	Mac OS X 10.7	32-bit version	✓
		64-bit version	✓
Mac	Mac OS X 10.6	32-bit version	✓
		64-bit version	✓
	Mac OS X 10.5	32-bit version	✓

- 1

A hotfix program provided by Microsoft must be installed. The customer is responsible for installation of the hotfix program.

1

Access the Microsoft support site (<http://support.microsoft.com/>).

2

At the site's search window, search for document number “2182039” and download the hotfix.
- Because Microsoft has stopped providing support for the operating systems below, Pioneer offers no guarantees when using these operating systems.
 - Windows Vista® Home Basic/Home Premium/Business/Ultimate (service pack 1 and earlier)
 - Windows® XP Home Edition/Professional (service pack 2 and earlier)
 - Use a computer on which the host application operates stably.
 - Operation is not guaranteed when multiple units of the RMX-1000 are connected to a single computer.

Installing RMX-1000 Plug-in

About the installation procedure (Windows and Mac OS X)

- Read *Cautions on Installation* carefully before installing RMX-1000 Plug-in.
- Authorization of the computer's administrator is required to install and uninstall RMX-1000 Plug-in.
Log on as the user which was set as the computer's administrator before installing.
- 1

Double-click the RMX-1000 Plug-in installer to launch it.
- 2

When the language selection screen appears, select [English] and click [OK].
 - You can select the one you desire from multiple languages as long as the language is supported by the system environment of your computer.
- 3

When the license agreement screen appears, read the *Software end user license agreement* carefully. If you agree to the *Software end user license agreement*, click [I agree].
 - If you do not consent to the provisions of the *Software end user license agreement*, click [Cancel] and stop installation.
- 4

Install RMX-1000 Plug-in by following the instructions on the screen.
 - Click [Cancel] to cancel installation after it has started.

Setting the plug-in

Launching this software in the host application

The following describes the procedure for launching this software in common music creation applications (Live 8, Cubase 6 and Logic Pro 9). For instructions on launching the plug-in in other applications, see the respective applications' operating instructions.

❖ Live 8

- 1

From the view menu, select [Browser] > [Plug-In Devices].
- 2

A list of plug-in devices is displayed. Find this software and double-click it.

❖ Cubase 6

- 1

Click [Inserts] for the track with which you want to use this software to open the list of inserts.
- 2

Click the insert slot you want to use. A list of plug-in devices is displayed. Find this software and select it.

❖ Logic Pro 9

- 1

Select the track with which you want to use this software.
- 2

Click a free field at [Inserts] to open the list of plug-ins, then find this software and select it.

Operating the plug-in

Here we explain how to operate this software. Operation is basically the same as on the RMX-1000. The explanations in this section focus on the functions specific to this software.

Plug-in display screen

- 1

Status icons
This displays the status of the connection with the RMX-1000.
- 2

LOAD button
This button can be used to load customized parameter data saved with remixbox (editing software) included with the RMX-1000. To reflect the loaded data, the [SETTING] selector switch on the RMX-1000 must be set to [USER].

3 Plug&Play ON/OFF button

When connected to the RMX-1000, the software can be used without making MIDI assignments. To change the assignments, set this to OFF, then make the MIDI assignments on your application.

- When using the Plug&Play function, turn off the function for MIDI control with the RMX-1000 on your host application or other application.

4 MIDI CH

This sets the MIDI channel for reception from (or transmission to) the RMX-1000 when [Plug&Play] is set to ON. For instructions on setting the MIDI channel for transmission from the RMX-1000, see the RMX-1000's manual.

5 ABOUT button

This displays the RMX-1000 Plug-in's trademark.

Connecting with the RMX-1000 and operating the software

By connecting to the RMX-1000 and turning on the [Plug&Play] button, the software can be controlled with the same operating feel as when using the RMX-1000 alone.

- Even without the RMX-1000, the same types of effects can be applied when using this software alone.

Checking the latest information on the included software

For the latest information on the software included with the RMX-1000, operating system compatibility, etc., see the website below.
