PRODUCT FEATURES

Compact, folding, single-corded design with DJ-style swiveling ear cups.

ENGAGE

Get closer to your music with our professionally-inspired sound tuning, which heightens the presentation and impact of both high and low musical notes.

RELENTLESS PERFORMANCE

Get full, accurate performance from large 40mm drivers engineered with a high power handling/high efficiency design.

FOCUS ON WHAT MATTERS

A closed, on-ear design minimizes outside noise so you can focus on what matters—the music.

Interchangeable Color Earpads

Show off your STEEZ with 3 different colored earpads. Mix and match for a truly customized look.

In-line Microphone with Answer/End Button*

*Compatible with iPhone 3G/3GS/4/4S only

Do not listen through headphones at an uncomfortable volume or at loud levels for long periods. Set the volume to low when you first plug in. Do not use when the headphones would be an unsafe distraction, such as while driving, biking, or crossing a street.

This product is NOT compatible with the first generation iPhone, or any other device that features a recessed audio input. Specifications and design subject to change without notice.
