☐	DT082230.pdf	General Specification for Packages in Super 35mm Reel Format
☐	MC073933.pdf	Mifare & I-Code CL RC632 Multiple Protocol Contactless Reader IC, Datasheet

I accept that NXP Semiconductors has the right to reject this request for passwords without giving reasons. I understand and accept that the passwords for the documents as well as the documents themselves are confidential and that I will handle them according to the following provisions:

1. Recipient undertakes not to disclose any data and information, especially the above mentioned documents and passwords, which it has received or will receive – in whatsoever form – from NXP to any third party.

2. Recipient and NXP agree that the above stated obligations under this Agreement shall not apply to any data and information which, shown by documented proof, (a) now are or later enter the public domain, (b) Recipient receives from a third party without breach of a confidentiality obligation, or (c) were at the time of disclosure already in the possession of Recipient.

3. In respect of the disclosed data and information NXP reserves right and title to apply for juridical protection. The disclosure for the Recipient does not imply any right or title to apply for a protection on its side. The disclosure does not include the granting of any licence.

4. Recipient is responsible that its employees – as far as they are getting knowledge of the received data and information or having the possibility to get to know them – are or shall be committed according to these provisions respectively. The obligations of Recipient under this Agreement remain, however, untouched therefrom.

5. Recipient agrees to promptly return to NXP on demand any data and information which were furnished under this Agreement in written or any other material form, without retaining any copies.
